MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence  
Deputy Director for Operations

FROM:  25X1  
Chief, Policy and Coordination Staff, DDO

SUBJECT: Proposed DCI Additions to Charter for  
United States Army Intelligence Support  
Activity (USAISA)

REFERENCE: Assistant Chief of Staff for Intelligence  
(ACSI) Memo to the DCI Dtd. 9 July 1982  
re USAISA Charter

1. Action Requested: That you sign the attached memorandum to Major General Odom, U.S. Army ACSI.

2. Background: The attached memorandum is the reply to Chief, ACSI's request for DCI comments on the proposed U.S. Army ISA Charter. We are proposing additional references to the DCI's authorities to coordinate military intelligence collection and liaison activities abroad. These proposed additions have been coordinated in the Agency with OGC, O/Comptroller, and with all concerned elements of the Directorate of Operations.

3. The proposed additions clarify and complete the litany of the DCI's authorities to conduct ISA's intelligence activities, and, if accepted and adhered to by ACSI and ISA, should satisfy both the concerns of Congress and of this Agency.
